Students should plan to keep their afternoon open, and will be assigned to one of the two recitals based on program balance. We will try our best to schedule siblings on the same concert. Registrations are accepted on a first-received, first-scheduled basis. Once the concerts are full, we will cut off registrations. Deadline is February 1. Students who wish to perform on two different instruments should submit two forms and indicate their first choice. Second instruments will be considered after February 10 when the registration deadline has passed.

Please mail this form, along with your check for \$10 made out to 3rd Ave. Arts, to Mika Inouye, Student Recital Coordinator, 19 Delwood Pl., Durango, CO 81301.

Please, no drop-off at St. Mark's!
