Students of any age, through college level, playing any music of J. S. Bach, are eligible. In order to ensure a degree of quality and create a program of a reasonable length, we will accept students on your recommendation on a first-received, first-scheduled basis.

Students should keep their afternoon free, and will be assigned to a recital based on program balance. We will try our best to keep siblings on the same program.

Please use the Student Performance Registration form available for download at **DurangoBachFestival.com**. Teachers' input, signature, and accurate information are required. **A \$10 registration fee applies.**
